

Mutt 120 Label Dispenser (Model DIS)

'HEAVY DUTY'

This extremely simple unit has brought satisfaction to the most demanding customers. Added to a semi-automatic production line environment, the MUTT-120 will improve labelling rates output and operator consistency. The Industrial label dispenser aids in simplifying labelling jobs, while dramatically improving productivity at a minimal cost. This dispenser reduces label waste, making neat and orderly disposal by re-rolling the waste backing, providing a cleaner, safer workplace. This unit also functions very well with fully automated lines, acting as backup unit.

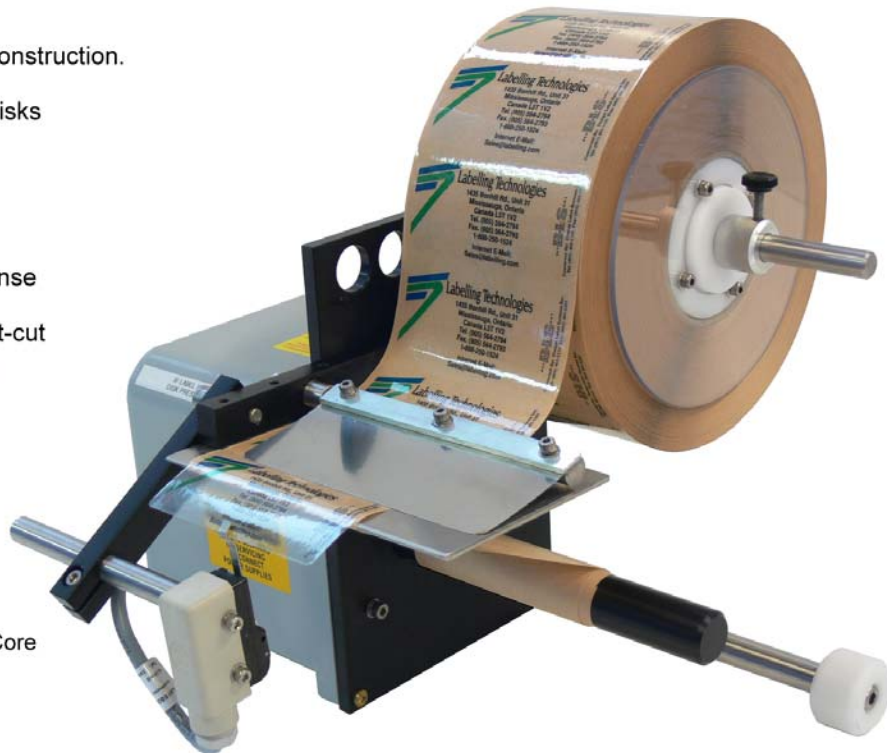

An ECONOMICAL - ROBUST - SIMPLE solution

- Robust stainless steel and anodized aluminum construction.
- Indestructible heavy duty polycarbonate guide disks
- Extremely resistant grey PVC enclosure
- Durable AC motor with ratchet pawl brake
- Adjustable micro-switch to control label predispense
- Dispenses multiple accross labels, die-cut or butt-cut

Models Available For:

- Flimsy labels
- Extra long labels
- Extremely narrow labels
- Very Wide labels

Label Roll Diameter: 250mm maximum OD with 76mm Core

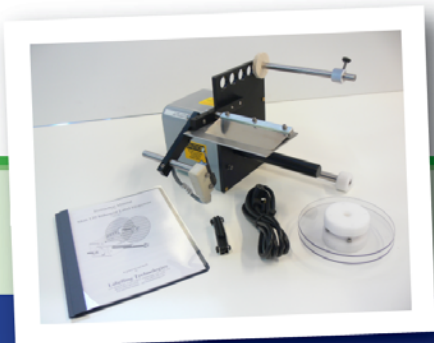

Web Width: 24mm to 150mm

Label Length: 19mm to 300+mm

Line Voltage: 120VAC, 2A, 1PH, 60Hz

Electrical Protection Rating: NEMA 12 (IP 55)
